

# Join The Chamber of Commerce

IT IS A DUTY YOU OWE To Yourself, To Your Family, To Your Business, and To Your City.

## Because

It widens your outlook.  
It works for a better city.  
It brings you into closer association with your fellowmen.  
It lifts you out of a rut and puts you in touch with community effort.  
It makes you feel and be a contributing factor in the force that promotes the welfare of this section.  
It leads you to be a better citizen by being a more useful citizen, and it gives you the satisfaction which comes to a man who contributes to create the conditions he enjoys.

## Because

Its activities are not restricted to mere commercial lines.  
It strives to promote public health, to conserve public morals, to better living conditions.  
It endeavors to make Monroe the ideal home city, the one above all others for the family aspiring to higher things.  
It can, with your help, far more readily achieve the conditions you desire than could a smaller group however well intentioned and ambitious.

## Because

You need the Chamber's aid.  
Your city needs co-operative effort.  
You must have its help to fight your transportation battles.  
You require its assistance in legislation affecting your interests.  
You want its co-operative support in getting proper service and rates from public utility concerns.  
Your business profits by every new enterprise it brings to Monroe and by every local enterprise which is helped by it.

## Because

You cannot expect a metropolis to grow without a strong Central Business Organization.  
You cannot hope for achievements without united effort.  
You cannot secure good laws, nor their proper enforcement, unless public opinion behind them is concentrated.  
You must have some agency working for and promoting the interest of the entire community, AND  
The Chamber of Commerce is the one organization to do this work.

There is active competition between the cities as between men. Every city in Piedmont Carolina the size and smaller than Monroe has a live business organization. We cannot keep pace with progressive cities unless we equip ourselves for the commercial struggle.

Don't wait to be asked. Help to make Monroe what it ought to be. Co-operate with the men behind this movement.

Come to the Courthouse Wednesday Evening at 8 o'clock, men, women and Children, and hear Horace F. Smith. It is to your personal gain, to the future betterment of your children, and for the material and moral uplift of Monroe and Union County.

## TO CONTEST FOR HEALTH TROPHY.

Kansas Governor Offers Trophy to County Showing Best Health Record.

Kansas is again in the lead. Recently she paid off all her bonded indebtedness and burned her canceled bonds. Her per capita wealth, which is said to be \$1,630, and which is greater than that of any other state and twice as high as that of the United States as a whole, has long been her boast, but now she is striving for something better than wealth. Her Governor is offering a handsome trophy to the county which can boast by its record that it is the healthiest county in the State and the best in which to live and rear children. The way the counties are to do this is explained in the following bulletin:

"There is not a county in Kansas that knows how good nor how bad its conditions are until it has taken stock of itself. To test your county, search out its weaknesses, admit any unpleasant facts about conditions, and set about to remedy them; this is the only way to prove that your county is the healthiest in the State of Kansas, and to win the prize."

"To prove that one has the healthiest county in the state is more than a matter of pride. There is also a commercial value attached to the winning of the trophy. Better health means increased vigor. Increased vigor means increased production and increased prosperity for the county and every person living in it. Strangers, too, will want to come to live in the healthiest county in the State, and so increase the population and bring additional wealth."

## A Boy's Remarks to His Stomach.

(Recited by Oliver, the Poultryman.)  
What's the matter with you, ain't I always been your friend?  
Ain't I been a partner to you? all my pennies don't I spend  
in getting nice things for you? Don't I give you lots of cake?  
Say, stomach, what's the matter that you had to go and ache?

Why I loaded you with good things yesterday—  
I gave you more potatoes, squash and turkey than you'd ever had before;  
I gave you nuts and candy and pumpkin pie and chocolate cake,  
And last night when I got to bed, you had to go and ache.

What's the matter with you, ain't you satisfied at all?  
I gave you all you wanted—you was hard just like a ball;  
And you couldn't hold another bit of pudding, yet last night  
You ached most awful, stomachick; that ain't treating me just right.

I've been a friends to you, I have; why ain't you a friend of mine?  
They gave me medicine last night because you made me whine.  
I'm awful sick this morning and I'm feeling mighty blue,  
Because you don't appreciate the things I do for you.
